Food Allergies & Intolerances

Please speak to your server if you have any food allergies or intolerances. An information pack is available from your server, listing the allergenic ingredients used in our dishes.

While we take great care in preparing your meal, our kitchen handles a wide variety of ingredients, so we are unable to guarantee that trace contamination will never occur.

Prices are inclusive of VAT.

For dine-in, a minimum spend of £20.00 per person applies.

Parties of more than 12 guests are served from our set menu only.

Any additional sauces will be charged at £3.00 each.

We do not add a service charge; however, any tips for our staff are greatly appreciated.
